FBCC Board,

Art Gatlin called me Wednesday evening to let me know that he was unable to be available as often as he thought necessary to be an effective FBCC Board Member and thus thought it best if he removed himself from the board. He emphasized that he would still be glad to serve in some capacity as a volunteer. Art indicated he would let someone on the Leon County Commission know his preference to leave the FBCC Board.

I expect Commissioner Sauls may advise the FBCC Board regarding a replacement member.

Bob Smith
